## AHMED LATHEEF – A BIOGRAPHICAL NOTE

Ambassador Ahmed Latheef began his Foreign Service career in 1981 as an Assistant Undersecretary at the Ministry of Foreign Affairs. He completed Foreign Service training in India with the Indian Foreign Service (IFS) Officers in 1982 and had further education and training in Berlin, Germany in 1989.

His career in the Ministry of Foreign Affairs, since 1983 was largely in the area of bilateral and multilateral cooperation, more particularly dealing with South Asian regional cooperation. Since the formative days of South Asian regional cooperation, he worked in the SAARC Division, and had attended all major SAARC meetings during 1985 to 1997. He was a prominent member of the Organizing Committee of the Fifth SAARC Summit held in Male' in 1990 and played an equally important role during the Ninth SAARC Summit held in Male' in 1997 in his capacity as the Director from Maldives at the SAARC Secretariat. He also attended meetings of the UN, Non-Aligned Movement and the Commonwealth.

Ambassador Latheef served at the SAARC Secretariat in Kathmandu, Nepal from 1993 to 1997 as the Director from the Maldives, and after his return to Maldives he headed the Department of External Resources of the Ministry of Foreign Affairs from 1997 to 2003 as the Director-General of External Resources. During this period he was responsible for mobilizing and coordinating all bilateral assistance to the Maldives and multilateral assistance from UN agencies. Ambassador Latheef also worked at the Ministry of Foreign Affairs as Director-General, Foreign Relations from 2003-2004.

Ambassador Latheef had held the post of Alternate Governor from Maldives to the Islamic Development Bank (IDB) from 1998 to 2003 during which period he had attended all the Annual General Meetings of the Board of Governors of the Bank.

Ambassador Latheef had played a significant and pioneering role in setting up the first resident mission of Maldives in India when he was posted as the Deputy High Commissioner of Maldives from November 2004 to August 2007. During this period he had contributed significantly to consolidate the close and friendly relations between India and the Maldives.

After completing his three-year term in New Delhi, Ambassador Latheef moved to China in 2007 to open the Maldivian Embassy in Beijing and served as the first Ambassador of his

country in Beijing for five years. It was largely due to Ambassador Lateef's foresight and tireless efforts during this period that Chinese tourist arrivals in the Maldives reached the top of the list, outnumbering the traditionally strong European visitors. During his stewardship Ambassador Latheef helped further strengthen the close relations between the two countries. In the field of sports, Ambassador Latheef was popularly acknowledged as the "Ping Pong Ambassador" in China for his dynamic role in promoting ping pong diplomacy, through the annual Diplomats Table Tennis Tournament; a tournament that was well participated by the diplomatic community for four years.

Ambassador Latheef returned to Male' after completing his term of office in February 2012. Since then he has been promoting sports in the Maldives as the President of the Table Tennis Association of Maldives from 2012- 2016 and as the Vice President of the Maldives Olympic Committee, a post to which he was elected in 2017 for a four-year term. He is also the current Regional Vice President of the Asian Table Tennis Union (ATTU).

On 1<sup>st</sup> October 2018, upon the recommendation of President-elect, Hon. Ibrahim Mohamed Solih, Ambassador Latheef was appointed as the Director-General of Transition, charged with the responsibility of establishing the Office of the President-elect and ensuring the smooth functioning of the transition process prior to the inauguration of the President on 17 November 2018.

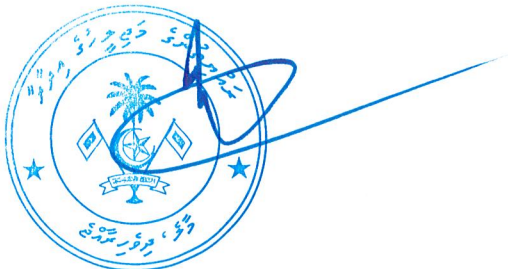

Ambassador Latheef continues to be an avid sportsman, who as a young man, was selected for the first ever Maldives Table Tennis team that represented the country in an international tournament in 1973 in Peking, PRC. Between 1973 and 1981, Latheef played for his country at a number of international tournaments, including those in China, La Reunion, Indonesia and Sri Lanka, in many instances as the captain of his team. He was the captain of the team that won the Bronze medal at the First Indian Ocean Island Games in 1979, the first table tennis medal for the country. He also won three national singles titles and several doubles titles during his illustrious career as a national TT player. At present he is active as a Veteran player involved in promoting the sport at the national and regional level.

In addition to being a TT player, Latheef is also a talented tennis player, and holds the distinction of being the first Maldivian to win an international tennis trophy by winning the All Nepal Veterans Tennis Championship in 1996. He is also a gifted cricketer who has represented his country in the 1980s.

Ambassador Latheef is married to Fazeena Ahmed Didi and has two children (Mifzal Ahmed and Mizna Ahmed) and three grandsons (Neil Ali Faiz, Zen Ali Faiz, and Lukey Mifzal Ahmed)

**ADDITIONAL INFORMATION:**

- 17 July – 23 November 2018: Deputy Chief of Protocol with overall in charge of the administration of the Protocol Department under the supervision of the Chief of Protocol, with in charge of the arrangements for the Oath Taking Ceremony of His Excellency Ibrahim Mohamed Solih as the President of Maldives (Ceremony date: 17 November 2018)
- 2016 – Working in the South Asia Division as the Head of Division looking after issues related to Afghanistan, Bangladesh, Bhutan, Nepal, Pakistan and Sri Lanka.
- In 2014 posted as Counsellor in Delhi Mission. During the tenure in Delhi Mission, the dedication and tireless performance prompted the High Commissioner of Maldives to India then to advocate on my behalf and promoted from the rank of Counsellor to Minister-Counsellor; within a short period of eleven months into the posting. In the first year, I was also performing the duties of a Deputy Chief of Mission while being in-charge of the Administration and Finance Section, Political Affairs Section together

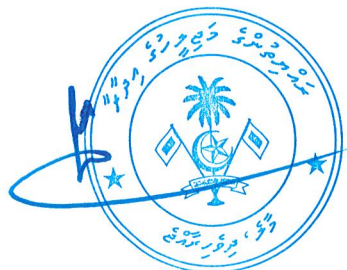

---

with Protocol Section. Two diplomatic home-based staff and 16 local staff directly reported to me daily and assisted in the smooth running of the Mission.

- August 2007 – The Ministry opened the Embassy of Maldives in China and was posted to Beijing. Played an active role in the establishment of the Mission as Second Secretary and the only diplomatic home-based staff then, apart from the Ambassador. During the tenure in Beijing gained experience in hiring locals for different posts required for the Embassy; and at the same time without hesitation took difficult decisions when letting go of some of those locals, based on their performance. Hence, in Beijing Mission by the time the tenure of 03 years was completed, four locals and one additional home-based staff had worked under direct supervision while in-charge of the Administration and Finance as well as the Political Affairs section.
- Upon completion of tenure in Beijing, had returned to the Ministry of Foreign Affairs and was in-charge of the International Organisations and Conferences Department. Looked after multilateral issues and 06 subordinates directly reported on a daily basis. Subsequently, played a major part in positively changing the image of the Consular Affairs Department for two years; where motivationally led a team of 06 subordinates.
- 2006 – Permanent Mission of Maldives to the United Nations. Looked after agendas related to economic and social development, human rights and humanitarian affairs. Thus, followed the Second and Third Committees of the General Assembly. Prior to this, even in 1994 was a member of the Maldives delegation which attended the UNGA. In 1994, looked after Sixth Committee and Third Committee related issues.
