Yes, I hear you and I see you.

Islam, I hope you are able to hear me. This is Yasmin. Hear me and see me.

United Nations Development Programme International Consultant, Islam Jusufi speaking:

Yes, I hear you and I see you.

Okay, that's great. Thank you so much.

Okay, that's great. Thank you so much.

Islam, as Hamdha must have informed you, we will be updating the online document with the translations of the discussions. When you take the floor, of course you will be asking the questions in English. But we will be translating it over here just so it is a more engaging consultation with the committee. But Hamdha will be supporting you through the online file. I am giving a brief introduction now. Yeah!

speaking:

In January in
busy agenda

mean this is a good facilitation that we have this opportunity through online means to talk to you about that. My colleagues are there in person. So, we are part of the same team in producing this white paper. If I may, I can start with the first question? Is it fine Yasmin, that I start with the first question?

United Nations Development Programme Maldives, Assistant resident representative Yasmin Rasheed speaking:

Let me also check in with the committee. ފަދަ ޖަވާބު ދެއްވާނެތޯ? Yes, Islam continue. And then after you ask the question we will also, Hamda will also help support in articulating it in dhivehi also just so we are very clear. Please go ahead.

United Nations Development Programme International Consultant, Islam Jusufi speaking:

Yes, Thank you so much. So, my first question relates to your work as a Majlis as a whole. So, I want to reflect on the following which is, consists of two parts as a question. So, the first part of the question is how the issues that relate to the decentralization and the work of the local councils are reflected in the agenda and deliberations of the Majlis? And this is the first part of the question. And the second part is whether and how the local councils, island council, city councils, atoll councils are consulted or included in these deliberations that relate to the work of the local councils and decentralization agenda in the Maldives?

މަޢުލޫމާތު ދިނުމަށް ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ?

މަޢުލޫމާތު ދިނުމަށް ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ? ފަދަ ޖަވާބު ދެއްވާނެތޯ?

And I want, I'm apologies MR Islam Yusuf, right. I want to welcome you to our committee and it's an honor for us to have you here. So, actually we will be communicating in Dhivehi to give you a more clear vision of how our committee proceedings work. Ok. So, Thank you.

Thank you so much. So, I go the next question?

Yes. So, I just want to quickly respond to MP Sauda's request as well. And I do appreciate and understand, and I do see how having written questions as well as having written responses to the questions would provide us with more accurate and up-to-date facts as well as more elaboration, specifically responding to the questions. Would it be, I'm thinking of how we can best go about this. What do you of us having the meeting right now and well the questions are been posed we can enter the questions on the chat as well. That is something we can do. So that the question is always visible. And secondly can we consider also receiving written responses in addition after the meeting today. So, is that something that is possible? So, for now we could have maybe, this conversation with the committee. And then we can also send the questions in for further the additions to the responses.
